

**Scrub! Scrub! Scrub!  
Scrubbing is for the tub.  
My hairdo looks so bad.  
Scrubbing makes me sad,  
sad, sad.**

**Ah yes!  
I feel so good.  
The students  
treat me like they  
should.  
Dip me in water.  
Keep me very wet.  
Gently move me  
across the paper.  
Does it feel good?  
You bet!**
